Intent: Allow DHS to claim 865,000 of GPR for the Brighter Futures program as federal match for the Substance Abuse Prevention and Treatment block grant.

The federal government requires that in order for state revenues to be claimed as maintenance of effort on the Substance Abuse Prevention and Treatment block grant, those dollars must flow through the Single State Authority for Substance Abuse, which in Wisconsin is the Department of Health Services.

- ✓ Create a PR-S appropriation in program 1 of the Department of Children and Families "All monies received" from 20.435(5)(bc) for the brighter futures initiative under s. 48.545.
- ✓ Amend 20.435(5)(bc) to include language directing the Department of Health Services to transfer from that appropriation to the new Department of Children and Families appropriation funds allocated by the department amounts specified under s.46.48(xx) of each year of the biennium.
- ✓ Create s.46.48 (xx) with language that the department shall not transfer more than \$865,000 in each year of the biennium for the brighter futures initiative under s. 48.545.
